GUARD DOGS

Our guard dogs unit is professionally police trained and has undergone sophisticated schooling together with their handlers to rise in any occasion in order to maximize our protection plan. This service is recommended for ground prevention and building patrol surveillance. Our clients include the warehouse, stores, housing estates, clubs, factory and other enclosed property areas. Any dogs from our facility may be returned within 1 year from the date of purchase for a replacement dog of equal value if any genetic is found unworkable.

CENTRAL MONITORING SYSTEM (CMS)

Central monitoring system (CMS) is utilized to supplement effective operation covering assignment on a 24 hour basis. We are pleased to advise our clients, house residents, banks, factories warehouse and others, to have CMS to monitor at night and inactive hours. Furthermore, if in the event of fire, robbery or other unwanted incidents, communication by our officers on the ground for immediate action using field transmitter for HQ to locate them might minimize the damages. Setting of central monitoring system (CMS) is under progress.

SECURITY ALARM & SYSTEM SERVICES

- ▶ Closed circuit tv
- ▶ Access control systems
- ▶ Surveillance and detection devices
- ▶ Office / home intruder alarms
- ▶ Perimeter protection
- ▶ Alarm installation & monitoring
